

Limbo Skull Cap

1 ball - Schoeller Stahl Limbo Color or Limbo Mexiko

Size 5 - 16" needle

Gauge: 5 sts - 7.5 rounds = 4"

Cast on 104 sts. Work in K4, P4 rib until piece measures 6¾ inches.

First decrease round: K1, K2tog, K1, P1, P2tog, P1 repeat around.

Work 4 rounds even.

Second decrease round: K1, K2tog, P1, P2tog repeat around.

Work 3 rounds.

Third decrease round: K2tog, P2tog repeat around.

Fourth decrease round: K2tog around.

Cut yarn 10" long and thread through remaining stitches.

Pull up tight and secure end.

Hint: Because this is a self-striping yarn, when the yarn changes from one color to another you may want to knit one round till the old color is all covered with the new color, then return back into K4, P4. This will keep from getting the bump color change on the purl stitches.
